Mrs Laura Weaver
Knights Templar Community Church School

Dear Headteacher, Staff and Pupils

Harvest Donations

I am writing to say how grateful we are for your amazing contributions at the Harvest Festival Service, and we are delighted to have these filling our rather empty shelves.

We have been really busy throughout the long summer holiday making sure that children did not go hungry, so thank you all very much for helping us to continue making a difference in your local community.

Some of you may have heard about our Mobile Pantry Project and wondered what it was and whether it was ever going to happen. Well, last week we had the first pictures of the new all electric vehicle which will be delivered to us in the next few weeks, and we are quite excited.

There will still be work to do before we use it in Watchet and we need to take it first of all to families in the villages who we have not been able to help yet. However, it is on its way at last and, because it is electric, it will not be producing any harmful greenhouse gases. It even has solar panels on the roof!

Thank you all so much once again for your kindness in thinking of others.

Kind Regards

Marlene
