Dear Parents/Carers,

As you may be aware, schools in West Somerset work together in a variety of ways to ensure that you, and your children, experience a consistent approach to key aspects of education and school life. One of these areas relates to school attendance and you will no doubt be aware that this issue is of extremely high importance, both locally and nationally.

Our schools share an Attendance Policy which sets out how each school will work to promote and maintain excellent attendance, based on the underlying principle that working together with parents/carers is absolutely the best way to support this. This policy is updated annually to take into account any amendments to Department for Education (DfE) requirements and/or changes to practice within Somerset Council.

The updated West Somerset Attendance Policy can be found here: (insert link to school website) – we would particularly like to draw your attention to the section around Term Time Leave (p7) as all schools in the area will adhere to the guidance from DfE that states:

As head teachers should only grant leaves of absence in exceptional circumstances it is unlikely a leave of absence will be granted for the purposes of a family holiday.

You will also find details of how your school will seek to work with you should concerns arise (Attendance Concerns Pathway, Appendix 1) and we would fully encourage you to make contact as soon as possible if you are experiencing any difficulties with getting your child to school. It is always our intention to work in partnership with parents / carers and having conversations as soon as issues begin to arise will be more likely to have a positive impact.

If you have any specific queries or wish to discuss your child's attendance, please liaise with your school in the first instance. Details of the senior leader with responsibility for this can be found in the policy.

Yours faithfully,

Elaine Detain
