## Knights Templar – Reading Spine

*This is a collection of excellent texts for teachers to read aloud to their class that create a living library inside a child's mind. It is a store of classics and essential reads that help children engage at a deeper level and enter the world of the story.*

*Many of the books link with the topics studied within the wider curriculum and all of the books are excellent recommended texts to simply read aloud and enjoy and have carefully been selected for the children of Knights Templar Community Church School.*
