Dear Parent/Carer

March 2025

Permission for walking to and from school unaccompanied – Year 4 only

Your child's safety and wellbeing is most important to us and we recognise that in supporting their readiness for transition to Middle School, walking to and from school independently is an important skill to develop over the summer term.

Should you, as parents/carers, feel your child is prepared to cope with this responsibility, please complete and return the slip below, giving written permission for your child to do so, **starting from after the Easter Holidays.**

No child will be allowed to walk home without prior signed consent from a parent/carer. Also, please note that by giving permission for your child to walk home from school, you understand that your child will be released from class at 3:30pm to walk home if there is no adult there to collect them (unless previously booked into a club or Dragons' Den). Please note **ALL** children still need to be collected from after school clubs or Dragons' Den.

Thank you for your co-operation.

Yours sincerely

L. Weaver

Permission for walking to and from school alone – Year 4 ONLY

Child's name:

Class:

I do/do not give permission for my child to walk to and from school

I have explained to my child the safety aspects of walking home on their own especially in light of the construction works on the school drive.

I understand that my child is my responsibility, and not the school's, once my child has left the school site and I am aware that once my child leaves the school site, there is no adult supervision for them.

I understand that it is my responsibility to make the school aware of any changes to any of the above in written communication.
