NURSERY FEES POLICY

Background information:

Knights Templar Nursery operates a service, which is fair and competitively priced. We aim to offer a high quality, safe and stimulating environment providing a service that is good value for money.

In order to achieve this we will ensure that there are the appropriate numbers of staff available at all times. We recognise that there will always be occasions when your child will not attend as planned but hope you understand that your fees are our main source of income and that without them we cannot cover our costs.

Priority of allocation of a place:

- We give priority to families living in the school's catchment area of Watchet.
- Families with siblings at Knights Templar Nursery or Knights Templar Community Church School.
- Children that will attend our school.
- Allocation of a place is given on a first come, first served basis.

Allocation of place: Once you have received confirmation of a place at our Nursery, if you choose to then cancel the place or reduce the hours booked, we will require a minimum of one month's notice for the change or full payment of one month's charges for the booked hours will be required.

Payment of fees: Fees will be invoiced via the Famly app prior to the beginning of each month and will need to be paid by the end of that month.

Fees when parents are on holiday: Please inform the Nursery if your child will be absent. Fees are still payable in full if your child is on holiday. **Fees when child is absent due to sickness:** Nursery should be informed through Famly on the first day of illness. The usual charges still apply during sickness absence. In case of continuing illness please contact the Childcare Manager to discuss.

Bank Holidays and Closures - The nursery will be closed on Bank Holidays and for one week at Easter, one week at the end of August and between Christmas and New Year. No charge will be incurred for these days.

Training (Inset Days) - The nursery will be closed for a total of 4 Inset days each academic year for staff training and development, the cost of which is incorporated into the fee structure. The nursery may periodically have to close at 4pm for staff training.

Unplanned / emergency closure - In the event of unplanned/emergency closure e.g. adverse weather, the Manager and staff will make every effort to ensure that the nursery remains open. However, if the nursery must close your funding entitlement will be used to cover the costs for any sessions that would have run that day.

Snack Charges - A voluntary charge will be added to monthly invoices as follows:-

All year round attendance – 1 to 2 sessions per week £2.50 per month
3 to 5 sessions per week £5.00 per month

Term-time only attendance – 1 to 2 sessions per week £2.00 per month
3 to 5 sessions per week £4.00 per month

Extra hours: Extra hours may be available at the discretion of the nursery. These will be charged at the hourly rate.

Cancellation of a place: We require 1 month's written notice for the cancellation of a place or 1 month's fee will be payable in lieu of notice.

Late collection charges

Any unplanned late collections will be charged at £10 for every 15 minutes (per child) as regulations require the correct ratios to be in attendance at all times children are present on the premises. Any additional costs will be added to your invoice

Non-payment of fees procedure

Any outstanding fees that go more than 14 days over that month will result in your child's nursery place being withdrawn. If you cannot meet the payment date, please contact the nursery manager for further advice.

If payments remain outstanding, we will pursue the outstanding debt through the County Council's legal department and/or the small claims court.
