

Knights Templar Community Church School and Nursery

Work at it with all your heart

Head Teacher: Mrs Laura Weaver, BA Hons QTS

September 2026

Dear Parents,

Welcome back! We hope you have all had a wonderful summer break and enjoyed some special time together. We are excited to embark on a fun-packed term ahead, welcoming new children and staff into the Den, filled with engaging activities and learning opportunities for your children, exploring our outside environment and taking opportunities to explore our local area. Our routines and transitions will begin slowly, ensuring a smooth transition for the children as they settle back into their school routine.

PE

The Den has PE on Tuesday and Thursday afternoons. Please send your child into school wearing their PE kit. Their school jumpers and black or navy leggings or tracksuit bottoms may be worn when the weather is cold. Please do not send your child in wearing non-school jumpers on these days.

Swimming

Our swimming sessions will take place on Monday and Thursday mornings. This is a fantastic opportunity for the children to develop their independence with changing and swimming skills in a safe and enjoyable environment. Please provide swimming nappies if your child needs them.

Explorers

Explorers will be held on Tuesday and Friday mornings, allowing the children to explore and learn in an outdoor setting. Please ensure your child has waterproofs, welly boots and spare clothes clearly named, these can remain in school.

Reading Realm

The Reading Realm continues to be enjoyed by some of the children. This space is designed to foster a love of reading and provide a wide variety of books for all interests and reading levels. We are lucky enough to have access to the Reading Realm twice a week.

Community engagement

We are very lucky to have the opportunity to walk around our local community on a weekly basis. This includes walking to the harbour, exploring the boat museum, having fun in the play park and identifying different features of Watchet.

Clothing

Please ensure your child has spare clothes in school as the weather is becoming colder and wetter, we will continue to explore water, messy play and our Explorer area.

Please ensure that all items of clothing are clearly labelled with your child's name.

If you have any questions or concerns, please do not hesitate to reach out.

Warm regards,

The Den Team

Miss Rowe, Miss Jeans, Mrs Moore and Mrs Sorrell
